**ELECTION**

Sir:

In response to the Restriction Requirement of December 5, 2006, Applicants elect to prosecute Species 4, which is directed to a semiconductive material, in the above-identified application. Applicants believe that Claims 5 and 17 are readable on this species.

Applicants note that Claims 1, 6-16, 18 and 19 are generic and should continue to be prosecuted in this application.

Applicants are making this election without disclaimer or prejudice to filing a divisional application on the non-elected claims/species.

If any fee should be due for this election, please charge our deposit account 50/1039.

Respectfully submitted,

Date: January 4, 2007
